

PARENTS ASSOCIATION CESARE PESENTI - BERGAMO

2017 MEMBERSHIP DRIVE

Join us! Become a member!

WHY AN ASSOCIATION?

1) To **raise funds** for initiatives and activities chosen independently by parents.
2) Because parents associations have legal capacity to **stipulate contracts and agreements** and receive cash grants.

3) Because a regional law allocates funds to those associations actively involved in family and

educational issues. The only requirement to access the funds is being a member of the provincial and regional Register of the Associations.

4) For the possibility of involving both students' parents and ex-students' parents, who have gained long-lasting experience in the school world.

Our ambitious goals

1) **Promoting initiatives** to fulfill the objectives included in the school three-year plan (P.T.O.F. - piano triennale offerta formativa)

2) **Fostering and encouraging parent involvement** and developing a wider cooperation among the school stakeholders.

3) Cooperating with and **supporting** the school in the achievement of its educational and social goals.

4) **Proposing activities, meetings and debates** with people or organisations who can contribute to **enrich and complete the educational goals.**
